

ATTENTION LOCAL MENOMINEE ARTISTS

The Menominee Indian Tribe of Wisconsin is looking for local artists who may be interested in designing a Strategic Planning Logo. The Administration for Native Americans a division of the Administration for Children and Families has provided the Menominee Indian Tribe of Wisconsin the opportunity to develop a strategic long-range plan by funding a three-year grant.

This grant will provide the Tribe an opportunity to strategically plan and design its unique path, serve community priorities and plan for future generations. The intent of the strategic plan is to create a planning document that can be referenced in future actions, comprehensive in its creation and updated or revised on a scheduled basis.

The theme of the strategic plan is **“Put the word UNITY back into community”**, which was generously donated by Gina Washinawatok as she had stated recently in her delivery message at the Menominee Indian High School’s Winter Athletic Banquet.

The logo design should only contain six colors and little detailing within the design for stenciling and copyrighting purposes. One design per artist should be submitted with the following information included:

- 1) Name, address and phone number of submitting artist.
- 2) A concise statement about the logo indicating its meaningful theme.
- 3) All artwork should be submitted to Brenda Tomow, Strategic Planning Coordinator or the Administration Department located at the Tribal Office Building, W2908 Tribal Office Loop Road, Keshena, WI 54135.
- 4) All entries should be no larger than 8” x 10” so they may be displayed within the Strategic Planning Coordinator’s office.
- 5) Deadline date for receipt of entries will be Monday, May 9, 2005 at 4:30 p.m.

The winning submission will be chosen by a randomly selected judging panel on the morning of Wednesday, May 11, 2005. The winner will be notified by mail or phone and receive \$250.
